26) Subd:- The Weaving School at Babbur has been closed since the beginning of this official year (1945-46) and the Director has submitted proposals for its transfer to the Education dept in views of the Govt orders conveyed in this office letter No.D 5503 dated 19-2-1945. According to the proposals submitted by the Director it is contemplated to attach this School to the Govt. Middle School at Hiriyur. From the Correspondence between the Director and the District Educational Officer Chitaldrug it is seen that the District Educational officer is in favour of attaching the Babbur Weaving School to the Govt Middle School Hiriyur, but he wants that the running expenses of the Weaving School should be borne by the Textile department itself. Therefore it has to be decided by Govt as to which department has to bear the running expenses of the Weaving School.

27) The proposal of the Director re: attaching the Babbur Weaving School to the Govt Middle School Hiriyur and re: the question of meeting the working expenses of the School by the Education dept is for orders.

28) Both the Education Secry and the Financial Secry may be consulted in the matter.

The District Educational Officer reports that on 29-7-1947, he met Mr.J.Hema Naik, Chairman, Village Panchayet, Babbur, Banajar Thanda and the Head Master, Government Kannada Primary Boys' School, Babbur Farm at Hiriyur and elicited the information that a Weaving School was opened on 21-3-1941 in a vacant hut on a monthly rent of Rs.3/- and that after the sanctioned period was over, the Department of Industries and Commerce had all the things of the school removed and and transferred the staff elsewhere and that even the hut which stood at a place where a new road had to be made was also demolished by the Village Panchayet.

It is also seen that the School was closed as per G.O. No.[illegible].4287-8/380-44-10 dated 30-11-1945 with effect from 1-7-1945 and the Director of Textiles has informed that the services of the members of the staff were immediately discontinued. The school was only on an experimental basis and perhaps did not deserve to be continued. At present there is neither the staff nor the equipment of the school. The question of attaching the school to the Government Middle School, Hiriyur does not arise and it may be dropped.
